

At Lutheran Disability Services (LDS), we approach our service delivery to our clients in a different way. We are kind and we are here to serve. We help to build connections to communities where everyone has the right to participate. We assist in building self-esteem, confidence and the feeling of being part of something wonderful.

OUR SERVICES:

- **SUPPORTED INDEPENDENT LIVING (SIL):** Tailored support helps individuals achieve independence through daily task assistance and flexible shared housing arrangements.
- **IN-HOME SUPPORT:** Our services assist with daily living tasks, personal care, and community participation, including meal planning and transportation.
- **COMMUNITY PARTICIPATION:** We promote engagement by supporting attendance at events, sports, social outings, and volunteering activities.
- **INDIVIDUALISED LIVING OPTIONS (ILO):** Offering NDIS participants housing options with personalised support from hosts or housemates, with planned responsibilities and reimbursements.

lutheran disability services

To include people with disabilities in Christian community

We collaborate with potential clients, their advocates, and support network to ensure we provide the necessary support for achieving life goals. We assist individuals with disabilities in finding and maintaining fulfilling supported living arrangements. With personalised support plans, we empower people to live as independently as possible in metro Adelaide, the Hills, and the Barossa, South Australia.

Our staff support clients with:

- cooking, including meal planning, following recipes, and grocery shopping
- cleaning, gardening and other household tasks
- personal care routines
- administering medication
- accessing medical and allied health appointments
- outcome-specific learning at home and implementing therapy recommendations
- accessing community events and activities of your choice, including transportation.

Why choose LDSSA?

- We are not just a service provider; we believe in our clients and care about their well-being. Our clients are front and centre of everything we do.
- Support tailored to you: whether you need individual support or are exploring shared living options, LDS provides services that match your unique needs.
- Values driven, to create happy homes and happy clients!
