## ABOUT:

- Share 1:3 supports with Passive Overnight Assistance with two men in their 20s-40s, who go to Day Options during the day, and enjoy listening to music at home. Both men are non-verbal and use a range of non-verbal ways to communicate with others. Both men also enjoy being able to have their own quiet time when needed.
- Accessible home with flat flooring and spacious ensuites. Spacious kitchen, dining, and lounge.
- This brand-new SDA home backs right onto the local park, which features a lovely walking trail and river. It is conveniently located close to shopping, restaurants, sports facilities, and allied health and medical facilities.
